Description

How to join us

According to the Article 6 of our [Statute](#), we have two categories of members:

1. **Full members** are entities that have not, as a primary focus, the provision of private consultant services and/or the conduct of profit oriented activities and that have been provisionally accepted as a member by decision of the Board, whereby such decision of the Board of Directors needs confirmation by the General Assembly.
2. The second category of members are the **honorary members**. These members are persons that have rendered extraordinary services or achievements in relation to the purpose of Open ENLoCC and are, upon recommendation by at least one full member, admitted by a provisional decision of the Board, whereby such decision of the Board of Directors needs confirmation by the General Assembly.

Membership can be sought by registered application addressed to the Secretariat of Open ENLoCC. The applicant must demonstrate the interest related to Open ENLoCC and assure full compliance with the objectives of the network and its Articles of Association.

The Board of Directors provisionally decides on the admission of new members, whereby such decision of the Board of Directors needs confirmation by the General Assembly.
