Connecting Europe Days 2022 @ Lyon, France

[Tickets](#)

Jun 28 – Jun 30 all-day

Connecting Europe Days – formerly known as TEN-T Days – will bring together politicians, industry representatives and the European Commission to discuss transport and mobility, and their role in achieving the ambitious goals set out in the [European Green Deal](#)[Search for available translations of the preceding linkEN•••](#) and the [Sustainable and Smart Mobility Strategy](#)[Search for available translations of the preceding linkEN•••](#). Participants will see state-of-the-art innovations first-hand at an **exhibition** of EU-funded projects, demonstrations of alternative mobility vehicles and automated transport. And as 2022 is the [European Year of Youth](#)[Search for available translations of the preceding linkEN•••](#), the Connecting Europe Days will have a specific focus on **young voices and views**. The event is being organised together with the **French Presidency** of the Council of the EU.
